- Databases: MySQL, SQLite, MongoDB
- Tools & Platforms: Git, Courser
- Soft Skills: Problem-Solving, Team Collaboration

PROFESSIONAL EXPERIENCE

Frontend Developer   *Jan 2025 – Present*

Developed and deployed a personal portfolio website to showcase web development skills, UI/UX expertise, and responsive design practices. The project highlights a strong command of HTML, CSS, JavaScript, with a focus on creating a seamless and engaging user experience.

Portfolio Website
● Built a responsive, single-page portfolio using HTML5, CSS3, and JavaScript, ensuring compatibility across desktop and mobile devices
● Implemented dynamic navigation and animated transitions using React and Framer Motion, improving user interaction and flow
● Optimized site performance by reducing load time by 40% through image optimization and efficient code structuring
● Designed and integrated interactive UI components using Tailwind CSS, enhancing visual appeal and user engagement
● Deployed project using GitHub Pages with CI/CD workflows, enabling fast and reliable updates
● Integrated GitHub and external links to projects, increasing recruiter engagement by 60% based on tracked analytics
